## June E-Newsletter

---

**Have you been considering attending the International Adult & Family Conference? But have wanted to know more about it? Well here is a great explanation of one of the most popular events that will be offered "Date with a Doctor"**

At our past conferences, this opportunity has proven to be very helpful for

patients and satisfying for the doctors.

**How it Works:**

Directions for the patients or caregivers:

Based on the popular “speed dating” format, our doctors and medical professionals will be seated at private tables and available for one on one, 15 minute consultations.

Here’s your chance to sit face to face with a doctor and introduce yourself, ask a burning question, or express whatever is on your mind!

The contents of each discussion will remain strictly confidential.

Every 15 minutes (exactly by the bell), a new group will be called to take their seat with the individual doctor they have registered to visit.

This is guaranteed to be an enjoyable and informative event for all!

It is best to come prepared with a summary of you or your child's case (no more than 2-3 minutes long) and 5-10 written questions so that you can get as many of your questions answered.
